IX. REPORT OF STANDING AND ADVISORY COMMITTEES

- A. Curriculum and School Standards Advisory Committee ~ Mitchell Davis for Ghida Neukirch
Davis reported the Committee received an update on the standards for canine cannabis certification. The Committee also received a report on the law enforcement Therapy K-9 certification program; working with Tails of Redemption (TOR), rescue dogs from local shelters trained by detainees to be comfort and therapy dogs. These rescued, trained dogs may be provided to police departments free of charge. Chairman Smoot interjected that the Board is working with TOR to provide comfort and support to officers who are exposed to trauma. Smoot mentioned that Trooper is stationed in Springfield, but the goal is to have comfort dogs stationed around the state to be deployed for officers with trauma exposure.
- B. Finance & Legislative and Executive Committee ~ John Keigher for John Idleburg
Keigher reported the Committee received the fiscal report from the new Assistant Chief Fiscal Officer, Courtney Bott. Bott presented the current status of the Board's accounts and the FY26 budget. Keigher noted Ellen Petty gave an update for HR, and the legislative updates were presented as well.
- C. Waiver Review Committee ~ Chairman Smoot reported this meeting was canceled because the agency requesting the waiver withdrew their request.

Motion was made by Price, seconded by Watson, and carried by all members present to approve the Curriculum and School Standards Advisory Committee report, and the Finance & Legislative and Executive Committee report.

X. EXECUTIVE MATTERS

A. **Financial Items ~ Courtney Bott for Steven Pingolt**

Bott reported the FY25 expenditures, and a cash flow analysis, can be found under Tab F in the Board book. The Board has consumed almost 40% of its budget for the year. Bott noted the NIBIN Grant, and the Recruitment and Retention Grant funds have been reduced to zero in the FY26 Budget.

Motion was made by Watson, seconded by Parks, and carried by all members present to approve the Financial Report.

B. **Personnel Matters & DEIA Report ~ Ellen Petty**

Petty stated her report can be found under Tab G in the Board book. Petty commented on the updates since her report was written. She noted headcount is now at 47, she then introduced new employees who were in attendance. Petty stated all transactions have now been completed in the Employee Central System, and she reviewed upcoming job postings.

C. **Legislative and Litigation Update ~ John Keigher**

Keigher noted there are no updates to any of the existing litigations, though the Board has received one new one. *Leavell v. the City of Matteson*, is a multicount action against several defendants. Plaintiff is claiming defamation related to the sharing of a Professional Conduct Report. Under the SAFE-T Act, ILETSB is exempt from liability for his cause of action. The Attorney General's office has filed a motion to dismiss.

Keigher stated the bills of interest were mentioned at length at the meeting yesterday and he will post a complete list of them on our website.

The Board's bills of interest include:

- **SB 1491 (Edly-Allen) – Therapy Canines**: This bill creates an optional certification program for crisis response officers and therapy canines. This bill has moved through Committee and has a House sponsor lined up.
- **HB 2350 (G. Johnson) – Body Cameras for Auxiliary Officers**: This bill passed out of Committee this morning and it allows chiefs and sheriffs to seek funding for cameras for auxiliary officers. The 650 auxiliary officers in the state would become eligible for the body camera reimbursement.
- **HB 2923 (Morgan) – Penalties for Chiefs and Sheriffs for Failing to Report Officer Misconduct**: This bill arises out of the SAFE-T Act and would allow complaints to be addressed before the Certification Review Panel. It allows the Panel to seek suspension and possibly decertification.

- HB 3174 (Gong-Gershowitz) – Statewide Brady List: There is no centralization of a statewide list. This bill would require State’s Attorneys to report the information to the Board. The Board would maintain the list and make it available to all State’s Attorneys.
- SB 2199 (D. Turner) – Waiver Limitations: This addresses the issue of officers moving to another agency before finishing the academy. This bill requires two years of service with original hiring agency before being eligible for a waiver.

Other bills the Board is watching include:

- HB 40 (Morgan) - Hate Crimes: This bill has not passed but has been refiled. There is curriculum now that everyone could agree on to hopefully move the bill forward.
- SB 1921 (D. Turner) & HB 3053 (Mayfield) - Add Union Members to Board: This bill would change the Board membership by adding two union members. Specifically, it would add two union members of a “statewide” lodge representing law enforcement.
- HB 1583 (Tipsword) – Retired Officers to Serve as SRO’s: This bill would allow retired officers to serve as School Resource Officers (SROs). Firearms become one of the issues with the bill, but staff is making progress with this to help active officers receive SRO training.

Bills the Board may Oppose:

- HB 3641 (Slaughter) & SB 2396 (Cunningham): This is the Attorney General’s bill addressing some of the SAFE-T Act issues. This involves statutory changes in a addition to what staff is working on for the Administrative Rules.
- SB 1854 (Belt) – IDOC Homicide Investigation Training/Certification: This bill would allow Department of Corrections investigators to attend the Board’s LHI courses. Though the Board has allowed attendance in the past, the bill as drafted, puts the administrative burden on the Board. The Board needs to be careful as IDOC investigators do not fall under the Board's jurisdiction. Staff is drafting an amendment to this bill.
- HB 3592 (Slaughter) – FOIA Exemption Removed for Officer Professional Conduct Database Records: This bill would remove the FOIA exemptions for the Professional Conduct Database material. This would cause a major decrease in reporting.
- SB 1566 (S. Turner) – MTU Funding: This bill stated that MTU’s would not be eligible for funding unless they have a part-time training program. Only a few MTU’s offer a part-time program, and this requirement would be a tremendous financial burden on the MTU’s.

D. Division of Professional Standards

1. Professional Conduct Database Quarterly Report ~ Anthony Cobb

Cobb reported the [Officer Professional Conduct Database] Annual Report, as required by Section 9.2(f) of the Police Training Act, was submitted to the

Governor's office and the General Assembly on February 28th. In total, the Board received 231 notices of alleged violations for calendar year 2024, the full report is on the website. For 2025, as of February 15th, the Board has received 25 notices of violation.

Motion was made by Redd, seconded by Davis, and carried by all members present to approve the Professional Conduct Database Quarterly Report.

2. *Waiver Disposition Quarterly Report ~ Anthony Cobb*

Cobb stated two quarters of waiver reports August 1, 2024 through February 19, 2025, could be found under Tab H. The three reports are now separated into five separate reports. During this time 1314 waivers were processed, the breakdown is listed below.

Keigher explained that staff has been in contact with the Governor's legal team and the Lt. Governor's office to see if the Board needs to make changes to the rules around voting for waivers. While staff is awaiting a final answer, it was recommended the Board follows the chart that has been provided when voting for law enforcement waivers. These will all need to be roll call votes with members recusing when necessary.

- a. *Law Enforcement – Municipal*
789 waivers approved, 34 denied

Motion was made by Watson, seconded by Redd, with Price and Bulnes recusing, and carried by all other members present to approve the Municipal Law Enforcement Waiver Disposition Report.

- b. *Law Enforcement – Counties*
214 waivers approved, 8 denied

Motion was made by Davis, seconded by Redd, with Parks, Voulgaris and Watson recusing, and carried by all other members present to approve the Law Enforcement Waiver Disposition Report for Counties.

- c. *Law Enforcement – State and Others*
194 waivers approved, 5 denied

Motion was made by Redd, seconded by Watson, with Ryan, Feld, and Price recusing, and carried by all other members present to approve the Waiver Disposition Report for Law Enforcement State and Others.

- d. *Corrections*
40 waivers approved, 5 denied

Motion was made by Davis, seconded by Redd, and carried by all members present to approve the Waiver Disposition Report for Corrections.

- e. *Court Security*
25 waivers approved, 0 denied

Motion was made by Watson, seconded by Redd, and carried by all other members present to approve the Waiver Disposition Report for Court Security.

3. *Decertification ~ Pat Hahn*

Hahn presented his report on decertification and noted officers are subject to 50 ILCS 705/6.1 of the Police Training Act. Hahn presented the five officers listed in his report who have either received convictions (Campos/65138515, Giles/65131794, Garcia/ 65128168, and Williams/65120016) or voluntarily surrendered their certification (Bauer/65112650). These officers are subject to nondiscretionary decertification. Notice was given to all, a chance to respond was given to all, and none responded. [The report can be found under Tab I in the Board book.]

Hahn then thanked the Appellate Prosecutor's office, the Attorney General's office, and the States Attorneys' offices across the state for their cooperation with pending cases involving police officers. Chairman Smoot asked for the rank of the CPD officer and noted for the record that the organization that he is employed by represents Sergeants, Lieutenants, and Captains in the Chicago Police Department. Smoot noted he will recuse himself in future votes if there is a conflict.

Motion was made by Redd, seconded by Price, and carried by all members present to approve the Decertification Report.

XI. PROGRAM PROGRESS REPORTS AND CONCEPTS

A. **Illinois Law Enforcement Executive Institute ~ Heather Hotz**

Hotz highlighted the two upcoming conferences, the Women in Criminal Justice Conference in April, and the 2025 Illinois Crisis Intervention Team Conference in June both to be held in East Peoria. This is the third year in a row that the Women in Criminal Justice Conference has reached full capacity.

Hotz then spoke to the Executive Institute's most recent and upcoming workshops; in the past two weeks they held *Intentional Leadership* in Schaumburg, and a Grant Writing Workshop for Law Enforcement is scheduled for March 19th & 20th in Mt. Vernon.

B. *A Statewide System of In-Service Training (ASSIST) Program ~ Paul Petty*

Petty stated his report can be found under Tab K in the Board book. The report includes two additional graphs showing the number of full time and part time officers in Illinois. In addition, there have been approximately 41,000 certified hours of training completed in Illinois. Approximately 31,500 of those hours have mandate assignments, and approximately a third of those exist in the sub-category of Use of Force, including roughly 6,000 hours in scenario-based training. Training hours are expected to increase over the next few months as the first three-year compliance period comes to an end.

Petty then spoke to the Annual ASSIST Governor's Report, which was filed by February 1st. Due to its length a website was provided in the report. [This report is also available on the Board's website]

C. *CIT and Mental Health Training Update ~ John Keigher for Jennifer Wooldridge*

Keigher stated the complete report can be found under Tab L in the Board book; it details everything going on with CIT. He noted staff is exploring more options to introduce canines to the senate bill that was discussed earlier. Staff is working with new partnerships for the paid actors for the CIT programs, Second City in Chicago reached out to the Board to possibly join our team. Keigher mentioned that staff is not only preparing for the statewide CIT conference, but also CIT International.

D. *Specialized Programs Update ~ Barbara Wood*

Wood stated both of her reports can be found under Tab M in the Board book. She noted there are four individuals for the Board to certify for Crash Reconstruction Specialist.

E. *Information Technology Update ~ Kelly Ingram*

Ingram stated his report is under Tab N. Additionally, Ingram noted the legal hearing system will be released at the end of this month. It is expected the online training will be fully operational by the end of April, instead of at the end of 2025 as was anticipated. Also, there will be a full refresh of staff systems next year in conjunction with DoIT, all staff should have a new computer system by the end of next fiscal year. The next anticipated project is the expansion of storage. This is predominantly due to the vast number of evidentiary items, the new legal hearing system, and data archiving. Finally, Ingram introduced Travis Mansholt, the Board's newest IT Staff member, who is working on updating LETM. Chairman Smoot commended the IT team on their work. Smoot discussed the next role of the Board should be to identify open positions and to be a resource for those looking for jobs in law enforcement. Davis discussed the necessity to allow recently released federal law enforcement officers who qualify to apply for waivers to move to, and work in, Illinois.

Motion was made by Davis, seconded by Redd, and carried by all members present to approve the Program Progress Reports.

XII. UNFINISHED BUSINESS

A. SAFE-T Act Update ~ John Keigher

Keigher stated the Administrative Rules were passed for the initial review. Significant changes were made in response to comments received from the public meetings that were held. The Rules have been posted for second notice, and staff is waiting on final approval from JCAR. The Board is on their agenda for the next meeting on April 8, 2025. Legal is working with the IT department to move forward with creating an officer/lawyer portal, which will allow officers to log in to see case updates and submit legal documents. Legal staff is also preparing for the Administrative Law Judge positions.

The Attorney General is working on another SAFE-T Act related bill to address issues the Board has been dealing with. This would position the Board to better implement the last remaining components of the Act.

Regarding discretionary decertification and reactivation of denials, staff is making progress and will address some concerns brought by the Waiver Review Committee.

Legal staff is also working on rules for certification, which will include reciprocity and legacy conversions to certification. Under the SAFE-T Act every officer needs to be certified, so this would include waivers for reciprocity. Staff hopes to have these ready to present at the June meeting.

B. Grant Updates ~ John Keigher

Camera Grant: Keigher noted the Camera Grant opened in December 2024 and will close April 1, 2025. To date staff has received 85-90 requests totaling approximately \$5M, with the appropriation being \$30M. Staff is hoping to make the awards before fiscal year end. Davis asked about the possibility of an open application due to the appropriated amount. This is not possible due to the state's fiscal year end as all documents for a distribution need to be signed and processed prior to June 30th. Keigher stated he hopes to keep the camera grant more as a rolling process going forward.

NIBIN Grant: There are three weeks in this application process, staff has received nine applications for \$250,000 in awards. \$2M has been appropriated, and staff anticipates these will not need to be scored competitively. This grant has been zeroed out for next year. There was some discussion about getting the word out to agencies.

Recruitment & Retention Grant: The Recruitment and Retention grant has been appropriated for \$10M this year, however there is only about \$6.5M in the fund. The Board received a total of 190 applications, twice as many as last year, for a total of \$45M requested. This is now a competitive award and there will be a full analysis of each application, staff hopes to make awards in April. Keigher noted staff has been approached by award recipients from last year stating they will not be using the entire amount and asking how to return it. Keigher asked the Board for a motion to approve the full \$10M that was appropriated so in the event that monies come in they can still be re-spent this fiscal year.

Motion was made by Davis, seconded by Price, and carried by all members present to approve staff spending for the Recruitment & Retention Grant up to the full \$10 MM appropriation.

XIV. PUBLIC INPUT

Jawan Jackson, Retired Parole Commander from Department of Corrections: Jackson stated for the past 16 years retired corrections and county officers have been denied IROCC cards. She stated it was approved through LEOSA but is still being denied. Jackson noted HB4667 and PA 102-0779 states that retired corrections and county officers would be deemed as law enforcement, however they are still being denied. She asked the Board when they would allow them to carry IROCC cards and mentioned the card incident involving Chairman Smoot.

Calvin Williams, Retired Department of Corrections Parole Officer: Williams thanked the Board for the opportunity to speak and stated he is a recently retired parole agent after 23 years. Williams stated that prior to 2012 parole agents were able to get an IROCC card, he said their legal department told them they did not qualify for the card stating they did not have full arrest powers. He sighted a US Court of Appeals ruling in June 2016, Docket 15-7062, that clarified the decision that corrections officers have the right to carry based on their arrest powers.

XV. ANNOUNCEMENTS

Smoot announced the next Committee meetings will be held on June 11, 2025, and the next Quarterly Board meeting will be held June 12, 2025 in Rockford, Illinois.

XVI. ADJOURNMENT

Motion was made by Watson, seconded by Price, and carried by all members present to adjourn the meeting at 10:08 a.m.
