Government Advertising Spending Transparency Report
Illinois Law Enforcement Training & Standards Board
July 1, 2025 – June 30, 2026

Background:
The Government Advertising Spending Transparency Act requires each State agency to report the amount and distribution of its advertising spending to the General Assembly and post the report on its website. The report must include details on the overall amount of advertising spending, the name(s) of each advertising vendor that received contracts from the agency, the type of entity that received the advertising spending, and the general subject matter of the advertising placement.

For State Fiscal Year 2026, the Illinois Law Enforcement Training & Standards Board had no advertising expenditures and no advertising contracts. Accordingly, there are no advertising vendors, media types, or advertising subject matters to report.

FY26 Report:

Advertising Spending	Name of Vendor	Entity / Media Type	General Subject Matter	Total Agency Advertising Spending
